

Greetings,

I do my grocery shopping at your store, and I'd like you to consider using WyGo for your online shopping and delivery service. WyGo believes in preserving local commerce and culture by empowering independent businesses like yours to thrive and compete. They provide small- to mid-sized retailers with an enterprise-level online shopping system that offers easy integration with inventory systems and a delivery service that deploys electric vehicles driven by background checked, uniformed, w-2 employees to make sure your products are delivered on time and your brand is represented professionally.

You can find out more about WyGO's online shopping platform and delivery services at [www.WyGOshop.com](http://www.WyGOshop.com) or call 1-877-WOW-WyGO (877-969-9946)
